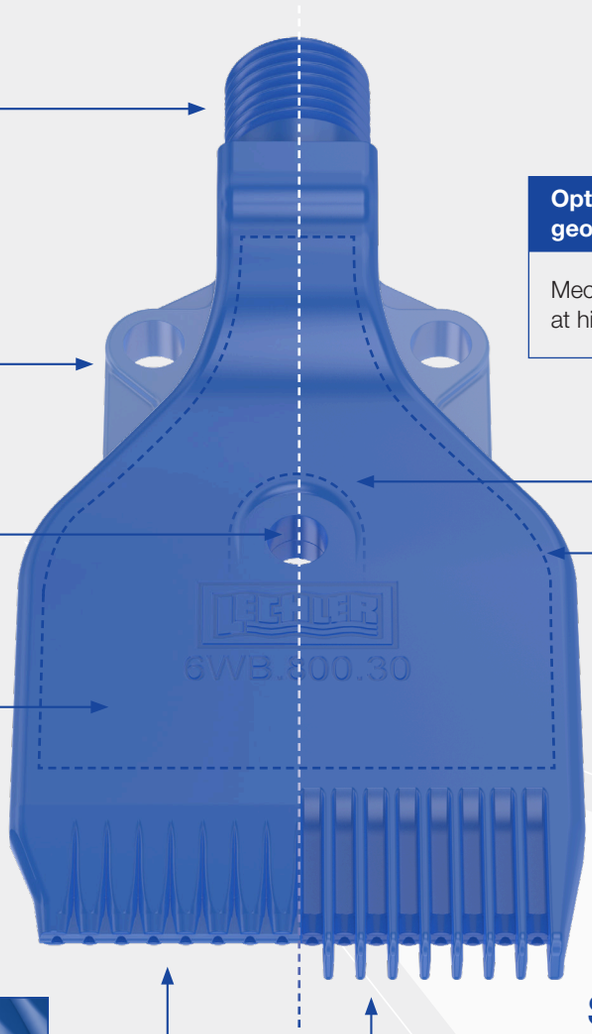
# KEY FACTS WHISPERBLAST

## Series 6WB

GENERAL INDUSTRY



**Thread**

- 1/4 BSPP
- 1/4 NPT

**Different mounting options**

- Bores Ø 5.3 mm
- With and without mounting brackets

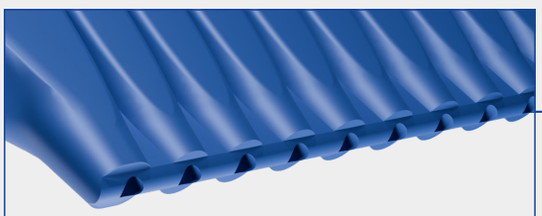
**Materials**

POM & PP with food approval

FDA EC 1935/2004

**Optimized welding geometry**

Mechanical strength at higher temperatures



**Optimized bore geometry**

for blow force increase and noise level reduction

**OSHA**

Available as OSHA and non-OSHA versions

**Silent Flow**
High Performance.
Low Noise.

Edition 10/25 · EN · Subject to technical modifications or mistakes.
